Subpart B—Grants for Planning and Developing Migrant Health Centers**§ 56.201 Applicability.**

The regulations of this subpart, in addition to the regulations of subpart A of this part, are applicable to grants awarded pursuant to section 319(c)(1)(A) of the Act for projects for planning and developing migrant health centers in high impact areas.

§ 56.202 Application.

To be approved by the Secretary under this subpart, an application for a grant must, in addition to meeting the requirements of § 56.104 of subpart A of this part, contain information sufficient to enable the Secretary to determine that the project for which the grant is sought will meet the requirements of this part.

§ 56.203 Project elements.

A project for planning and developing a migrant health center supported under this subpart must:

- (a) Determine (by survey or other appropriate means) the approximate

number of (1) migratory agricultural workers and the members of their families, and (2) seasonal agricultural workers and the members of their families, within the proposed catchment area in the calendar year in which the grant is made and the period of time these workers and their families reside in the catchment area during such year.

- (b) Prepare an assessment of the need of the population proposed to be served by the migrant health center for the services set forth in § 56.102(g)(1) of subpart A of this part. This assessment of need must, at a minimum, include the factors listed in § 56.104(b)(3) (i)–(iv).

- (c) Design a migrant health center program for such population, based on the assessment prepared pursuant to paragraph (b) of this section which indicates in detail how the proposed center will fulfill the needs identified in that assessment and meet the requirements of subpart C of this part.

- (d) Develop a plan for the implementation of the program designed pursuant to paragraph (c) of this section. This implementation plan must provide for the time-phased recruitment and training of the personnel essential for the operation of a migrant health center and the gradual assumption of operational status of the project so that the project will, in the judgment of the Secretary, meet the requirements contained in subpart C of this part by the end of the project period.

- (e) Implement the plan developed pursuant to paragraph (d) of this section in accordance with such paragraph.

- (f) Make efforts to secure within the proposed catchment area of such center, to the extent possible, financial and professional assistance and support for the project.

- (g) Initiate and encourage continuing community involvement in the development and operation of the project through, for example, contributions or loans of cash, services, equipment, full- or part-time staff, space, materials, or facilities.

- (h) Provide for sufficient staff, qualified by training and experience, to carry out the project and establish standards and qualifications for personnel (including the project director).
